

IMPORTANT NOTICE ABOUT THE KING IV REPORT ON CORPORATE GOVERNANCE

CSSA has had several enquiries regarding the examination of the King IV Report. Please note that for the May examinations, students may answer examination questions **either in terms of King III or King IV**. You will be required to state at the top of each question, which code you have considered or applied in your answer.

Since the first King report was published in 1994, the CSSA has been a member of the King Committee responsible for the development and compilation of the King reports.

The King IV Report is available free of charge from the IODSA website at: <http://www.iodsa.co.za/page/KingIVReport>. You may also print a copy for yourself for study purposes.
