**Corporate Administration  
in Southern Africa  
Carina Wessels (FCG) and  
Herman Kocks (FCG)  
Revised by Karen Baldwin  
(2nd Edition)**

This book covers a broad range of legal and governance issues that company secretaries, directors and managers have to deal with on a daily basis. It is presented in an easy-to-read format with many case examples to illustrate the practical application of issues ranging from general administration, copyright issues, human resources matters, insurance to outsourcing.

**Corporate Financial Management  
in Southern Africa  
Revised by Pieter van der  
Merwe (ACG)  
(2nd Edition)**

This book is a useful guide to the area of corporate financial management. It examines important areas such as financial objectives, sources of finance, cost of capital, working capital management, capital budgeting, business reorganisation and multinational companies. This book is indispensable for anyone entrusted with financial responsibilities.

**The Power of Governance:  
Enhancing the  
Performance of SOEs  
Reuel J. Khoza and  
Mohamed Adam  
(2nd Edition)**

Published by Pan Macmillan and Business in Africa in 2007  
ISBN: 978-0-230-00207-4  
This book draws on the growing body of knowledge about corporate governance in state-owned enterprises. It locates Eskom's experience in that context and argues that a state-owned enterprise can be run as efficiently as any other.
